LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m., on **TUESDAY, DECEMBER 10, 2002**, upon the application of **WINDHAM OIL CORPORATION**.

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of an Order pertaining to the following matters relating to the **Wilcox H Zone, Reservoir A**, in the Little Creek Field, LaSalle Parish, Louisiana.

1. To grant an exception to the spacing provisions of Office of Conservation Order No. 856-E, so as to permit the applicant to recompleate, designate and utilize the Windham Oil Corporation - CZ FEE TRACT AH No. 6 Well for production of oil and gas or gas and condensate from the Wilcox H Zone, Reservoir A, within the unit designated WX H RA SU83, such well location being shown on the plat submitted with the application.
2. To determine that the requested recompletion wellbore will enable a more effective and efficient drainage of a portion of the reservoir which could not otherwise be drained by any other well located, therein, absent approval of the exception to spacing provisions.
3. To designate WinDham Oil Corporation as operator of such unit well.
4. To consider such other matters as may be pertinent.

The Wilcox H Zone, Reservoir A, in the Little Creek Field, LaSalle Parish, Louisiana, was defined as being that oil and gas or gas and condensate bearing interval the top of which is encountered at a depth of 2,993' (ELM) with the base being the top of the Midway Shale or the stratigraphic equivalent thereof not yet encountered at a total depth in the Louisiana - Hunt Petroleum Corporation - Taylor No. A-1 Well, located in Section 25, Township 9 North, Range 1 East, Less and Except the F-4 Sand, Reservoir A, as defined in the Office of Conservation Order No. 856-C, effective September 15, 1982, insofar as said sand underlies the unit created by said Order.

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Monroe**, Louisiana or may be found at the following site:
